As a Principle Investigator of a project under which a researcher will be using Nanotech West Laboratory, I agree to:

- Supply Nanotech West with chartfield information (org/fund/project numbers) for the project and I agree to accept any lab charges incurred by this user.
- Be responsible for establishing and monitoring an acceptable amount of lab time for each user.
- Provide an estimated close date for the project and notify Nanotech West when a user is no longer allowed to use my project number for his/her lab use. I understand that the project will be charged \$20.00 for each user's access fob if they do not return it prior to leaving the lab.
